

Winter Decorations Fundraiser

This November, every child in the school will be involved in making their very own personalised winter themed decoration, ideal for hanging on a tree, a wall, or a bedroom door.

Every class will attend art workshops run by one of our 6th class parents, Jennifer Moonan, where they will have the chance to decorate one of a selection of pre-prepared wooden templates in the shape of a star, robin, penguin or snowman.

Each child's decoration will then be displayed as a part of a Winter Wonderland scene designed by the children for parents to view in the main reception during the month of December. Parents will have the opportunity to support the school by purchasing their child's decoration for €5 and all proceeds will go towards the purchase of outdoor playground games in the New Year.

You may purchase your child's decoration by completing the order slip below and returning it in an envelope with payment (exact money please), or you may pay through the Aladdin link that will be sent out to all parents.

All orders must be paid for by **Friday 15th December** and decorations will then be sent home with children before they finish for the holidays.
